About the Program

“The program is designed to provide students with a strong foundation in the field of Business Administration, with a focus on the management of organizations. The program is designed to be flexible, allowing students to complete their degree in a shorter period of time if they are able to take a full course load each semester. The program is also designed to be challenging, with a focus on developing the critical thinking and problem-solving skills that are essential for success in the business world.”
